We would like to welcome you to Oklahoma Complete Health.

Oklahoma Complete Health provides health care services for the Oklahoma SoonerSelect Children's Specialty Program. We provide physical health services and behavioral health services, long-term services and supports (LTSS) that are convenient and accessible. Our main priority is making sure you receive high quality health care coverage.

This is your provider directory. Below we tell you how to use the directory. Let us know if you need help understanding this.

If you need them, interpreter services are provided at no charge to you, including sign language and real-time oral interpretation. To get an interpreter, call Member Services at **1-833-752-1665** (TTY: **711**).

We are adding new providers every day. If your doctor is not listed or their information does not look complete, please check online for new updates at **OklahomaCompleteHealth.com** or call Member Services at **1-833-752-1665** (TTY: **711**).

Easy to Use

Getting benefits from SoonerSelect Children's Specialty Program is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and any of your family who are members of Oklahoma Complete Health, need to choose a Primary Care Physician, or a Clinic that has multiple PCPs.

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by SoonerSelect Children's Specialty Program. If needed, your PCP will make a referral for specialized care. It's that simple.

Accessibility

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at **1-833-752-1665** (TTY: **711**).

Telehealth

Telehealth is your convenient, 24-hour access to in-network Oklahoma Complete Health healthcare providers for non-emergency health issues. It's available for you to use when you're at home, in the office or even on vacation. Before you can use Telehealth, you need to have an account through the member portal. Set up your member portal account at **Member.OklahomaCompleteHealth.com**
