Easy to Use

Getting benefits from SoonerSelect Children's Specialty Program is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and any of your family who are members of Oklahoma Complete Health, need to choose a Primary Care Physician, or a Clinic that has multiple PCPs.

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by SoonerSelect Children's Specialty Program. If needed, your PCP will make a referral for specialized care. It's that simple.

Accessibility

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at **1-833-752-1665** (TTY: **711**).
